ALVERTON, PENNSYLVANIA

"EAST HUNTINGDON HIGH SCHOOL"

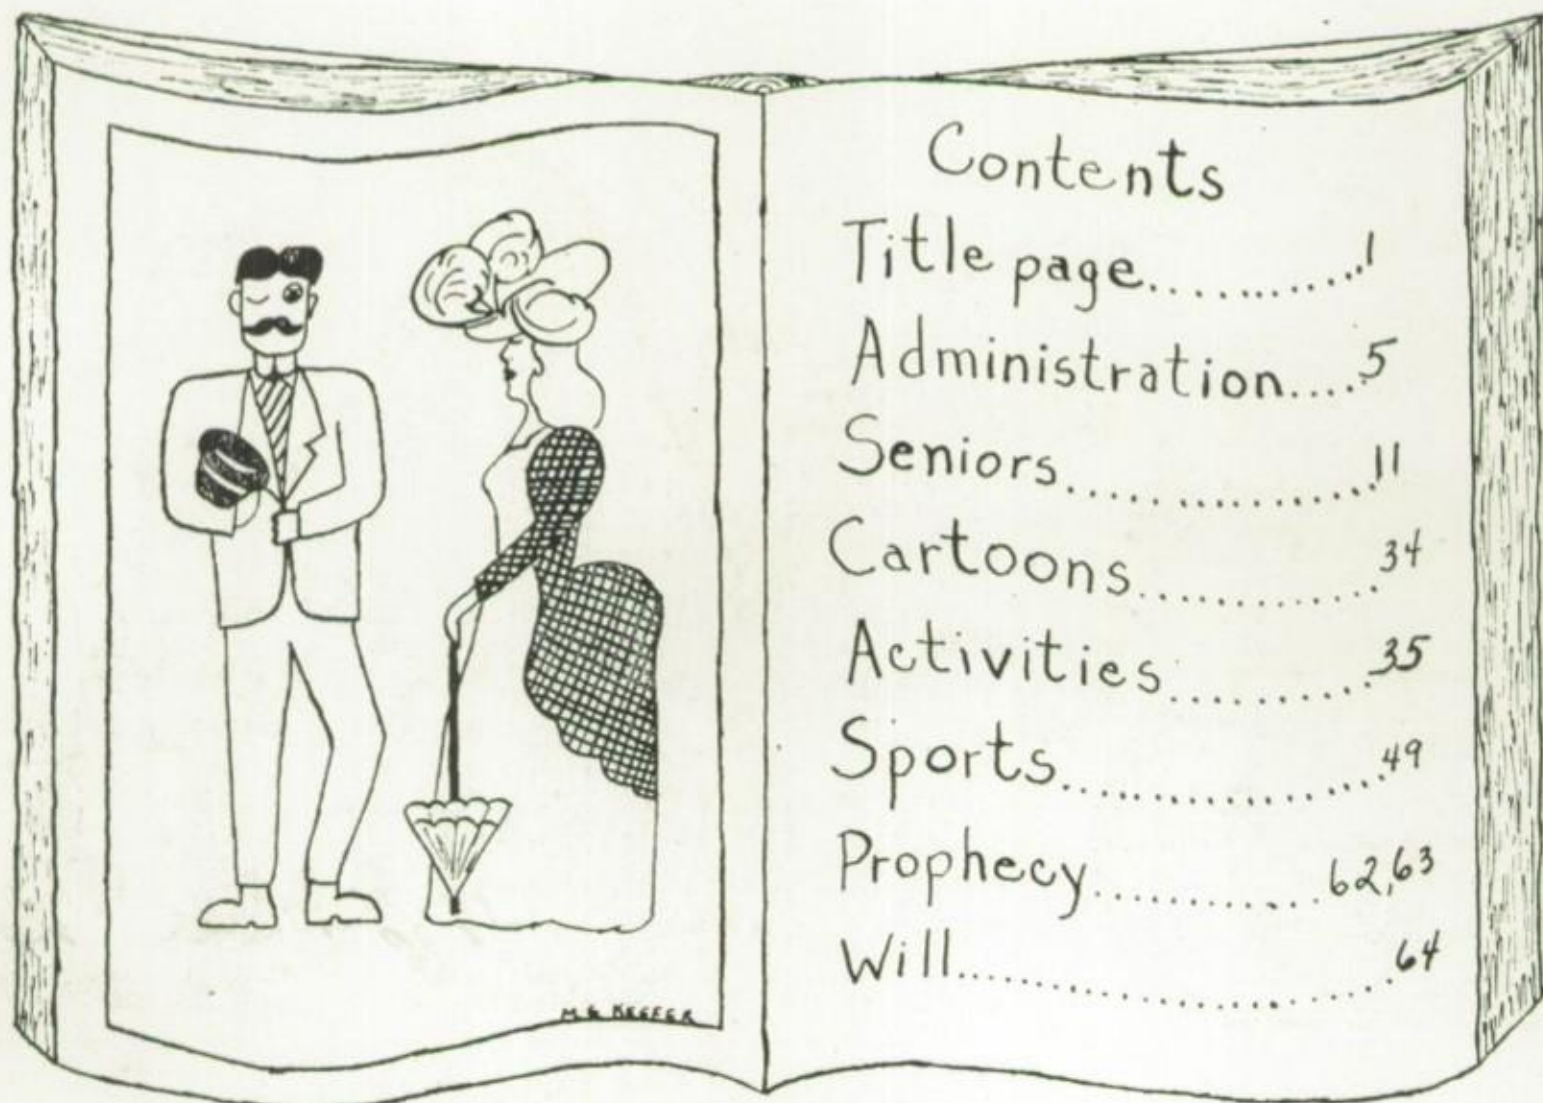

Foreword

Remember "the good old days" when a bustle was an article of clothing and not just a "rush" . . . when mustache cups were a necessity and not museum pieces?

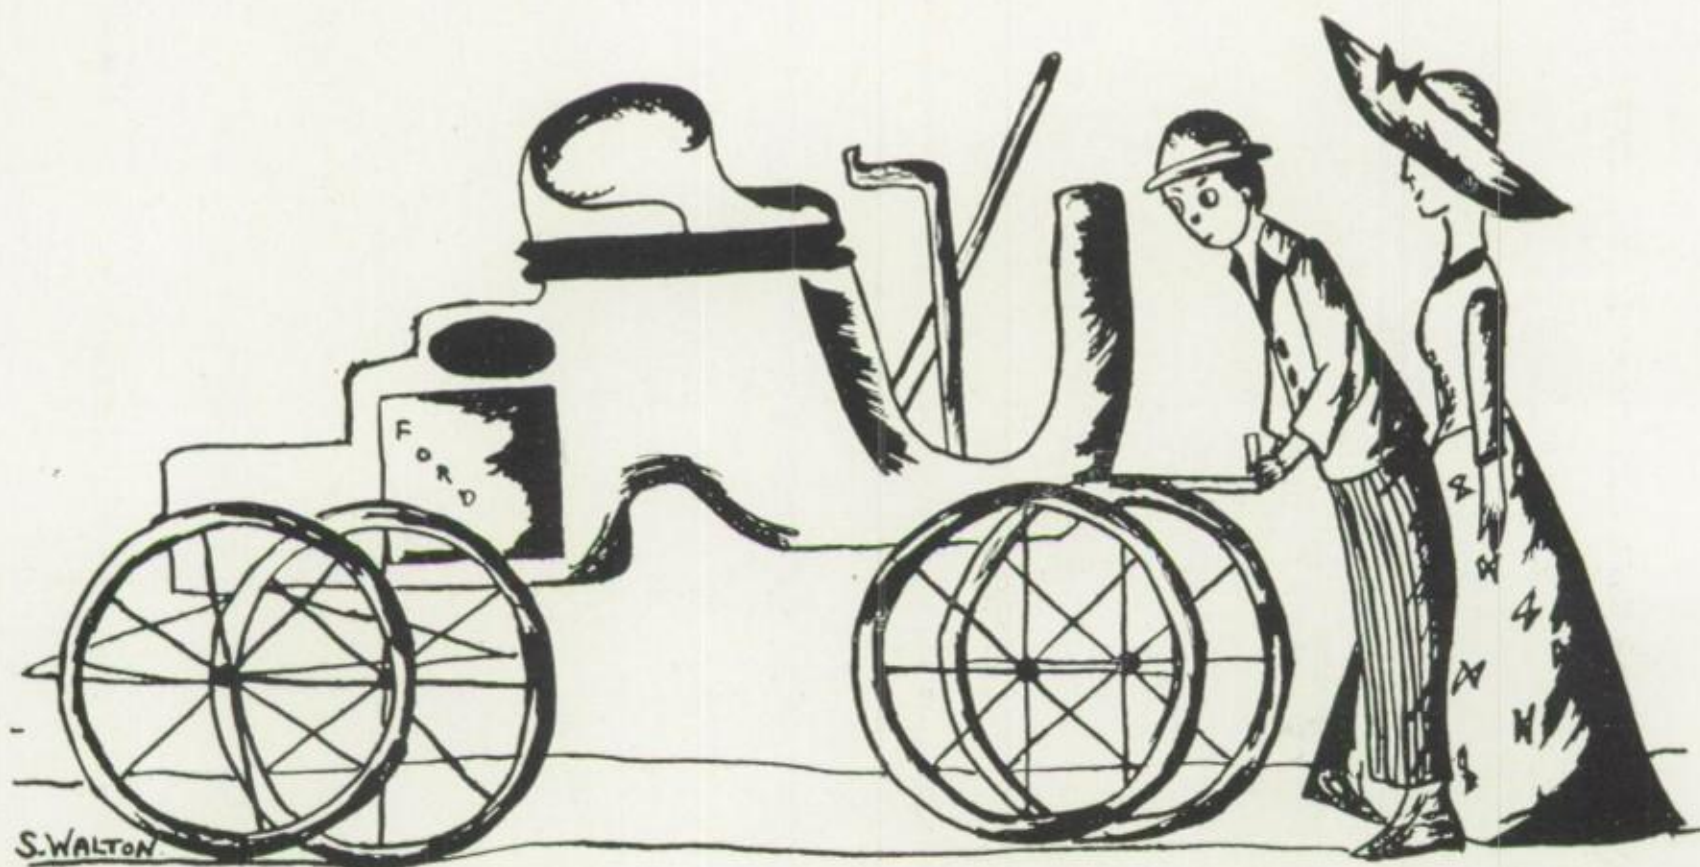

The days of the Gibson Girl, picture hats, tandem bicycles, horsecars, cloth-topped shoes, and cigar store Indians will all come to life again in this year's "Mirror."

We feel that just as the "gay nineties" will live on forever in the heart of America, so to will the gay memories of our high school days at East Huntingdon live on forever in the hearts of the students.

If in a small measure, we are able to impart this impression to you we feel that we have accomplished our end.

SNOW QUEEN

The annual Snow Queen Coronation was held in the high school auditorium on December 15, 1952. The theme carried out in the decoration of stage and gymnasium was "Stairway to the Stars."

The queen, Janet Leighty, was crowned by the class president, Henry Cocain. Attired in a white gown, she carried a bouquet of red carnations. Her attendants also wore white gowns and carried blue carnations.

After the ceremony the queen and her guests went down into the gymnasium for the "Star-Lite Ball" where music was furnished by the "Polka Dots."

It won't be a stylish marriage.

VARSIITY CLUB

The Varsity Club is open to boys of good character and personality who have achieved the Varsity E in football or basketball. This year's club has twenty-three members. Mr. Puskar, head football and basketball coach, is the faculty sponsor.

At the beginning of the year Henry Cocain was elected president with Louis Rose, vice president, Ronnie Ridenour, secretary, and John Hobson, treasurer.

During the football season the members promoted the sale of programs at the home football games. After our victory over Scottdale, the club sponsored a Victory Dance to celebrate the occasion.

On February seventeenth, the Varsity Club again held the annual Varsity-Faculty basketball game. This was a thriller all the way with the Varsity winning 41-40.

The highlight of the year was the all sports banquet held in the gym on March fifth. The main speaker was Dr. Ned Culler, supervising principal of Connellsville High School. At the banquet Mr. Puskar presented the senior members of the club with their sweaters. These sweaters have been adopted as the standard award for athletic achievement.

Ten members will graduate this spring. They wish to thank Mr. Puskar for the help and guidance he has given them; they also want to wish the Varsity Club much success in the years to come.

THE YEARBOOK STAFF

The Yearbook Staff of 1952-1953 began the year with much enthusiasm and zest. Everyone was anxious to "go to press" and produce the most interesting and memorable yearbook possible.

With Miss Pfoutz and Mr. Hough as our sponsors, the staff began the long, grueling process of planning the theme, reading proof, securing ads, conducting a subscription campaign, and checking details to meet the approval of our sponsors.

Everyone worked diligently and without complaint while our yearbook was being created. The deadline was drawing near. Each little detail was checked for the final time. At last it was completed.

It is impossible to give each individual recognition for his contribution, but the unselfish co-operation of all, without thought or credit, made this book a reality.

Our work is finished. We know that our work has not been in vain, because, as a result of it, we have our "Mirror"—a complete volume of the unforgettable days we spent at East Huntingdon High School.

Yes, everyone who worked on the yearbook may breathe a sigh of relief—the work was well done. We hope in future years that it may recall happy memories of associates and activities.

But you'll look sweet upon the seat

Many members attended the Farm Show, the Farmers' Institute, and the leadership training class at Hurst High School.

The two social events this year were the initiation of new members and the party with the Future Homemakers of America.

The 1952-53 officers were: president, Paul Summy; vice president, Richard Sossa; secretary, James Miedel; treasurer, Denny Piper; reporter, James Hiles, and sentinel, Ken McBeth.

This Club consists of students from the Freshman, Sophomore, Junior, and Senior classes.

The Glee Club's main project is to present an operetta each year. The one chosen for this year is "Tulip Time."

Also connected with the Glee Club is the Mixed Chorus, Girls' Trio, Boys' Quartet, and Boys' Sextet. These, too, are under the capable direction of Mrs. Hyatt. They sing for assemblies and between acts of the class plays.

The whole yearbook staff wishes the Glee Club the best of luck in the coming years.

COACHES

This year's football team was under the capable coaching of Mr. Puskar and Mr. Crawford.

Mr. Puskar, our head coach, has just finished his second year at East Huntingdon. Before coming to East Huntingdon, he taught and coached at Johnstown Catholic. Coach Puskar attended St. Vincent College where he was a backfield star for four years. While there he made the little all Pennsylvania football team as a halfback.

Mr. Crawford, our assistant coach, has been teaching and coaching at East Huntingdon for five years. He coached the Jr. Varsity before he became assistant. Mr. Crawford's college career was interrupted by the navy but he was still able to attend Bethany, Slippery Rock, and Waynesburg colleges where he starred in football, basketball, and track.

HIGHLIGHTS OF THE 1952 FOOTBALL SEASON

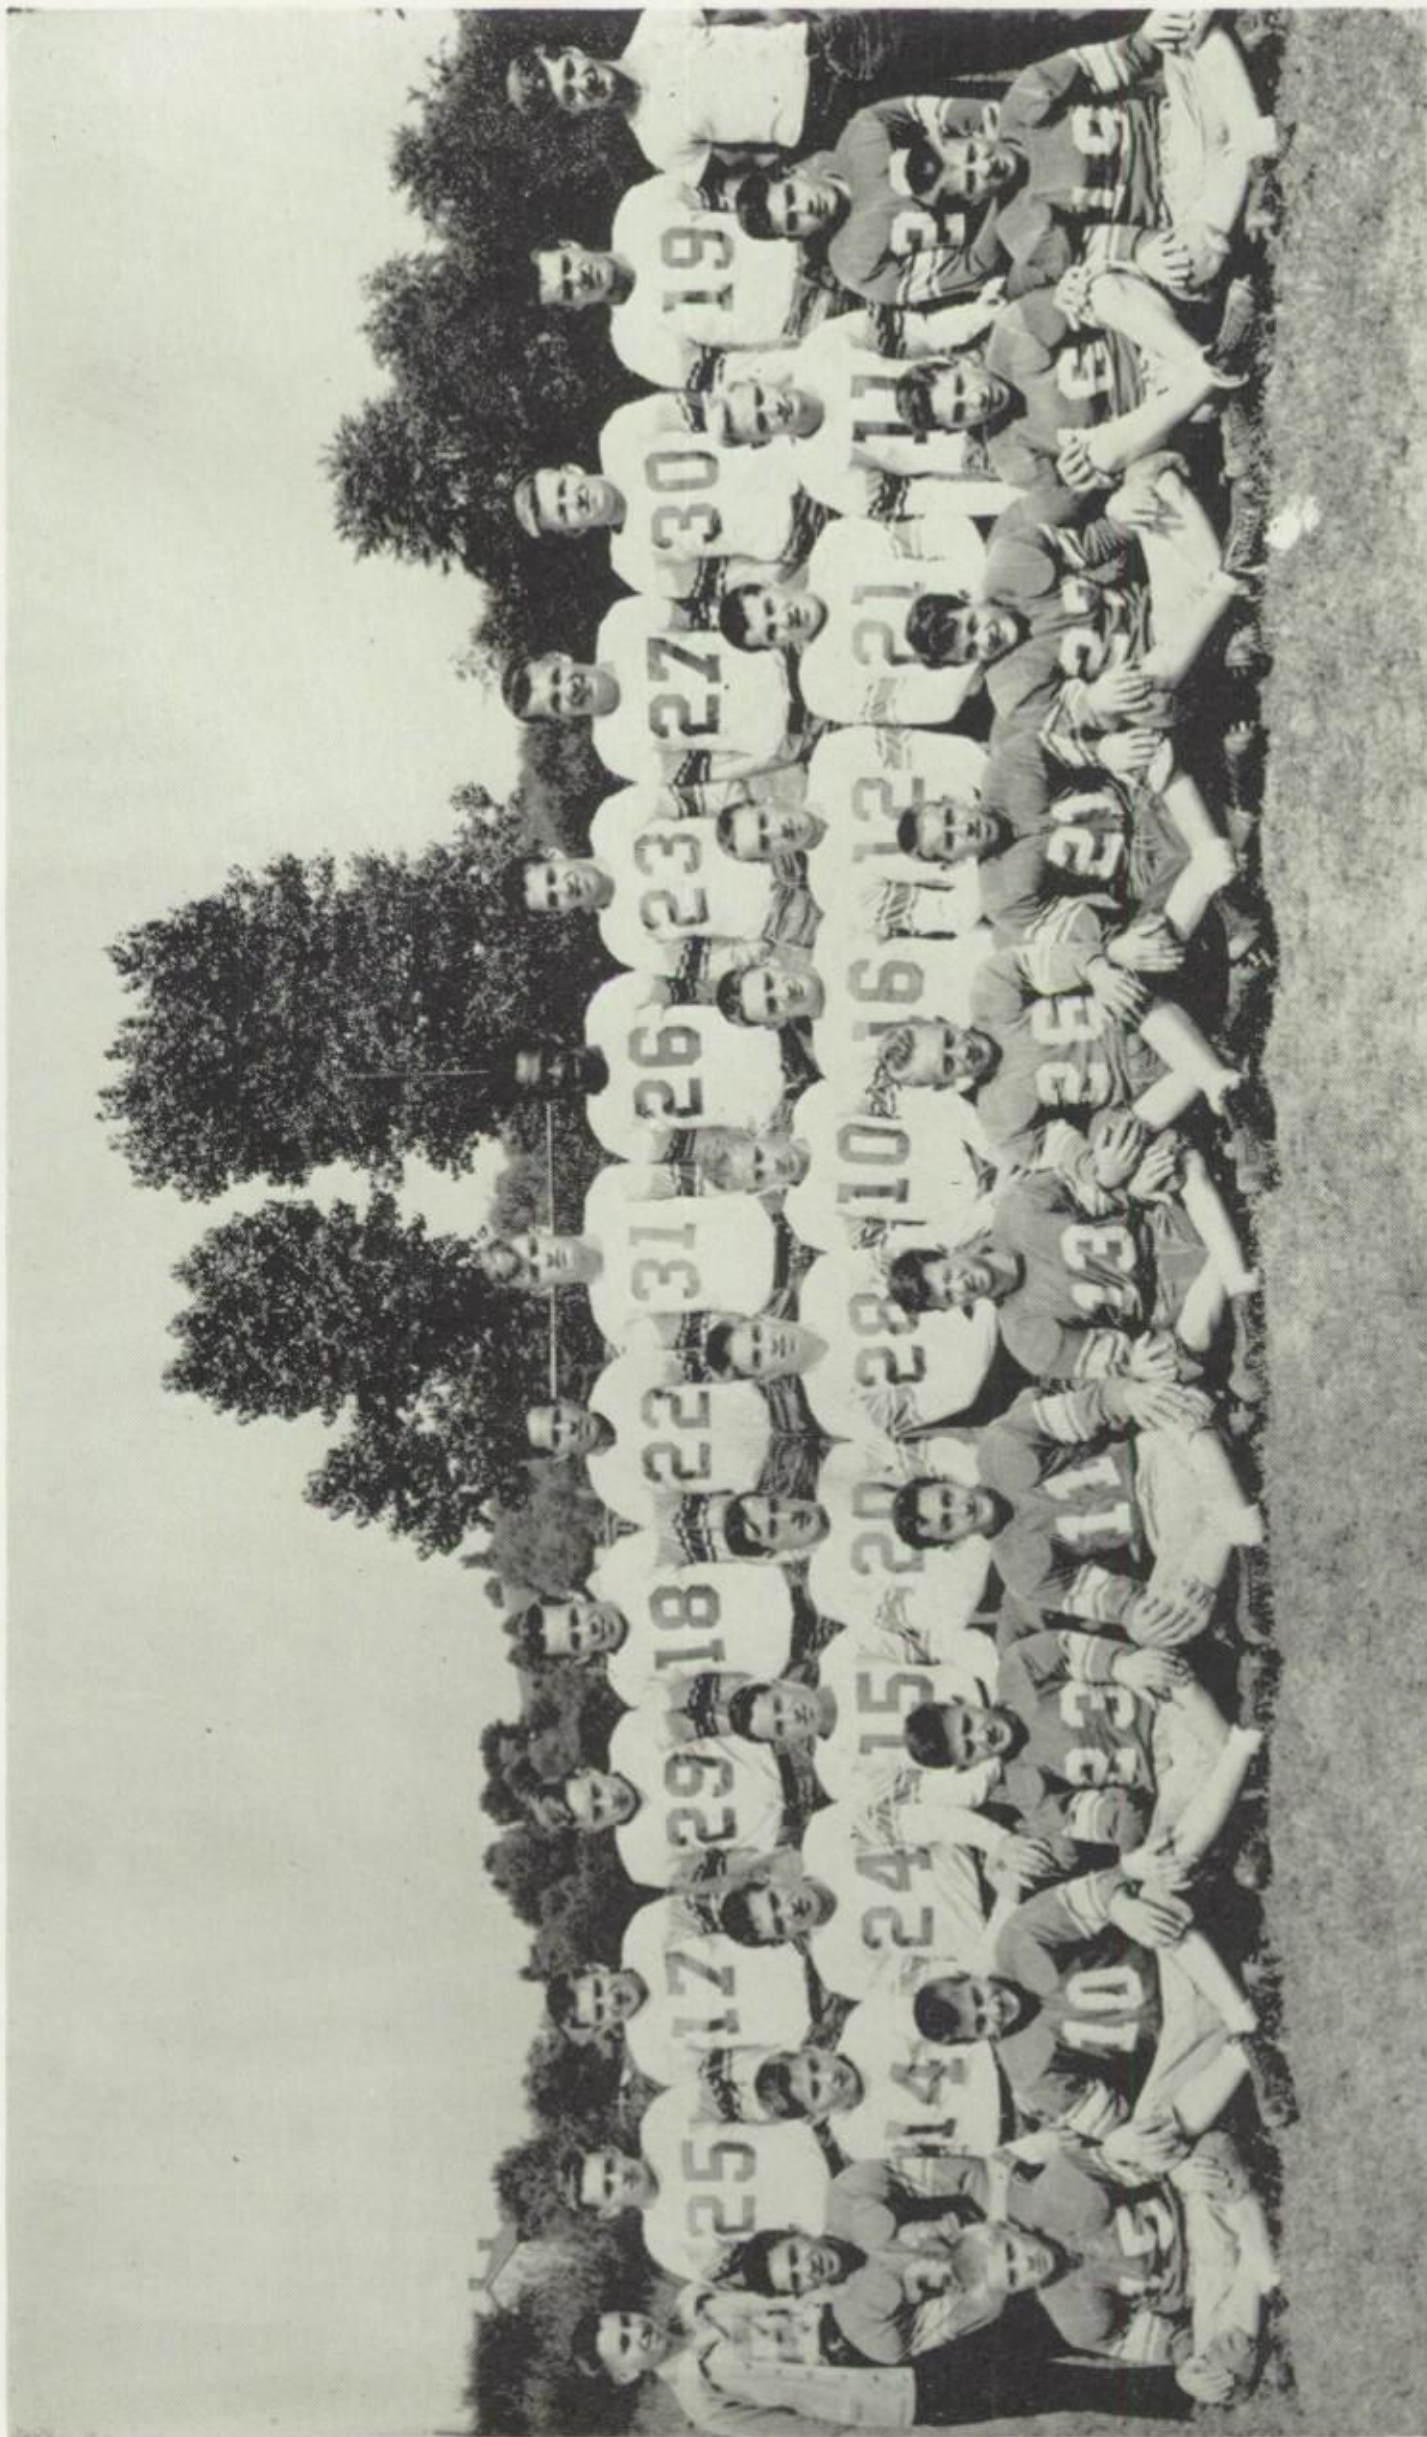

With twelve lettermen returning from last year's squad, East Huntingdon was expected to come through with a fine season. After two weeks of hard practice at home and a week of practice at Camp Austin, the Bulldogs went into their first game with high hopes.

Living up to expectations, the Red and Black won their first game by trouncing South Huntingdon 40-12. With high spirits the Bulldogs won the second game by whipping Point Marion 26-6. Dunbar, a powerful class A team, was the next opponent. This game ended in a thrilling 6-6 tie.

The local rival, class A Ramsay, proved too much for the Bulldogs as they went down to their first defeat 33-6. Seeking revenge, the fighting Red and Black downed Youngwood 39-21. Albert Miller starred for the Bulldogs when he scored four touchdowns.

The next three games proved hazardous as the Bulldogs went down to defeat at the hands of Sewickley, Penn Twp., and West Newton. The team came out of their slump to score a decisive win over their big rival, Scottdale. Vinton Loucks sparked the Bulldogs by scoring both touchdowns as the team won 13-7.

East Huntingdon was proud to have three players named on the All County Scholastic Football Team for the 1952 season. These players were Dale Whigham, Vinton Loucks, and Albert Miller.

The fear of the Lord is the beginning of knowledge: but fools despise wisdom and instruction.
Proverbs 1:7.

Trust in the Lord with all thine heart; and lean not unto thine understanding. In all thy ways acknowledge him, and he shall direct thy paths.
Proverbs 3:5, 6.

Wisdom is the principal thing; therefore get wisdom: and with all thy getting, get understanding.
Proverbs 4:7.

Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shalt say, I have no pleasure in them.
Ecclesiastes 12:1.

They that wait upon the Lord shall renew their strength: they shall mount up with wings as eagles: they shall run, and not be weary; and they shall walk, and not faint.—Isaiah 40:31.

Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven—Matthew 5:16.

But seek ye first the kingdom of God, and his righteousness, and all these things shall be added unto you.—Matthew 6:33.

I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth.—Romans 1:16.
